Beginscherm :

The screenshot shows the 'Orderlijst' (Order List) window in the DC-Online application. The window has a menu bar with 'Bestand', 'Bewerken', 'Extra', and 'Help'. Below the menu is a search bar with 'Zoek ref.' and a 'Zoeken' button. The main area is a table with columns: Status, Besteltype, Ref., Nummer, Ingevoerd om / op, Verzend datum / tijd, Leveranciersstatus, and Order nr. The table contains several rows of order data. On the left side of the table, there are expandable sections for 'Open bestellingen', 'Klad', 'Klaargemaakt', 'Besteld Import', 'Geleverd', 'Standaard', and 'Remote edging'. On the right side, there is a vertical toolbar with icons for 'Nieuw', 'Bewerken', 'Kopiëren', 'Verwijderen', 'Printen', 'Berekening', 'Verzenden', 'Status veranderen', and 'Sluiten'. Below the table, there is a detailed view of the selected order, showing 'Ingevoerd om / op' as '22.03.2019 14:11' and a list of lens specifications (Sfeer, Cyl, As, Add, Prisma 1, Prisma 2, Basis 1, Basis 2, Middend, Randd, Basis, PD, Hoogte). The 'Ref.' field is 'test stabroek'. At the bottom, there are tabs for 'Overzicht', 'Product', 'Vorm / Montuur', 'Supplement / Individueel', and 'Klant gegevens'. The footer of the window shows the website 'www.deceunynck.be' and 'Support DC-online'.
