Nancy,  
Can you make the modifications?  
58% on BBGr only, for the 5 clients listed below.  
Thanks

Dear all,

Following the technical issues of having a separate Afflelou catalog and the routing issues we currently have, I propose to:

- Give a 58% discount to the 5 main Afflelou clients on the BBGR range only (Opti Meo, Centre Belle Ile, Arnoptic, Baudinnet, Waremme)
- No price on the DN
- Until end of June as a testing phase, to be continued if both parties agree

Next steps:

- Financial impact to be verified by Jerome (first analysis shows no impact)
- William to contact customers to get their agreement
- If ok, then Nancy to put new discount in the system and Pedro to check that they all get no price on the DN

Best regards
